Profile

I am an aspiring web developer and multimedia designer studying at EASV, passionate about creating accessible and engaging online experiences. I'm dedicated to blending technical skills with creative design to make the internet more inclusive.

Education

Adam Mickiewicz Highschool

Czestochowa, Poland

2019 - 2023

Erhvervsakademi SydVest EASV

Esbjerg, Denmark

2023 - Present

Work Experience

Hessing - production worker

Venlo, The Netherlands

June 2023 - August 2023

Ensured cleanliness and upheld strict health standards in food-contact areas. This experience emphasized the importance of attention to detail and precision, directly applicable to coding and design work.

GXO - warehouse worker

Roermond, The Netherlands

July 2023 - August 2023

As a warehouse worker, I efficiently completed orders using a scanner and maintained warehouse cleanliness. This experience honed my organizational skills and attention to detail, qualities beneficial in any professional setting.

Danibo - cleaner

Fanø, Denmark

February 2024 - Present

I adeptly clean summer houses within tight deadlines, demonstrating my ability to perform under time pressure. This experience enhances my teamwork and cross-cultural communication skills, valuable in dynamic work environments.
